

December 14, 2021

Dear Valued Customer:

At REXtac, LLC, we focus on providing quality products, services and solutions to support your success. However, due to the continued cost escalation of transportation, insurance, packaging supplies, labor and catalyst, we are increasing prices \$0.11/lb. for orders shipped on or after January 1, 2022. We have resisted increasing pricing as long as possible, but at this time, we do not foresee any relief in these cost increases and must take this action to mitigate them.

As always, thank you for your business. If you have any questions on this or any related matter please contact me or your account manager.

Regards,

Bill Turner
